Attention: Mr. Frank Tralli

Dear Frank:

This letter is intended to serve as a recommendation for Aries Advisory Group Ltd.

I was President of Entertainment World at the time that Frank worked with our Company. We were having issues with our Bank as Entertainment World was in violation of its financial covenants and was placed in the Bank's special loans group. Frank was initially retained as the interim CFO in order to deal with the Bank and its monitor. During this engagement, Frank liaised with the Bank's monitor and reviewed all of the due diligence information prior to it being provided to them.

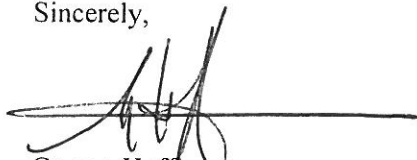

When it became apparent that the Bank had no intention of continuing to finance the business, Frank was engaged to assist in obtaining alternative financing. He worked directly with our Management in negotiating the terms and conditions of the forbearance agreement with the Bank which allowed sufficient time to replace it with an alternative lender. Together with Management, Frank sourced the lender, negotiated the terms and conditions of the offer letter and assisted with the lender's due diligence.

Throughout the nine-month process, Frank was extremely professional in all regards. He made suggestions of a financial and operational nature which assisted Management in the execution of day to day duties. He was directly involved in most aspects of the negotiations with the Bank and new lender. And he provided insight into the Bank's and new lender's motives which proved invaluable during our negotiations and resulted in a new lending arrangement which met all of our requirements.

I would not hesitate to recommend Frank and his firm to another company who is in a similar situation with their current lender or is looking to switch lenders for any other reason.

Should any of your prospects wish to discuss this with me further, they can reach me at (905) 947-9928 or at ghoffman@amazingvideonetwork.com.

Sincerely,

Garson Hoffman
